Not Gullty. Chicago. April 24.—Twenty-five labor leaders were placed on trial to-day in Judge Scanlan's court on charges of hoycott, conspiracy, malicious mischief and extortion as a sequel to the painters' strike of last year. They pleaded not guilty.

Twenty-six others who were not arraigned escaped prosecution on the conspiracy charged by the quashing of indictments against them. They are liable for trial later on the other counts.

Indicted forty-six times, a total of 6,946

STILL SEEK DOROTHY ARNOLD. "For humanity's sake help these European women. They are your sisters, even though you have never seen them.

Urges Further Inquiry.

Despite the failure of the efforts of the police to find the body of a young woman believed by Octavus Glennorris, a convict at present in the Rhode Island penitentiary, to be that of Derothy Arnold, the investigation will not be discontinued. Inspector Faurot said yesterday that every detail of the prisoner's story concerning the disposal of the body had been inquired into.

"Six months training will educate the blinded men dependent on them in trades not requiring sight. Even your single donation alone will go far toward enabling one of these sightless men to support himself and partly support his family for the rest of his life.

"These women stretch appealing hands to you from across the ocean. Make at least one of them permanently happy and her husband, father or son permanently useful by sending us a contribution. body had been inquired into.

L. April 24.—Octavus brave, good, faithful woman will be resated in prison to-day PROVIDENCE, R. I., April 24.—Octavias Glannorris reiterated in prison to-day that his story is correct and that the New York detectives in following his directions must have made a mistake and searched the wrong cellar near West Point.

Bearched the wrong cellar near West Checks should be made payable to Checks should be made payable to the control of the control

"What would be my motive for telling Frank A. Vanderlip, treasure such a story if it were not true?" he asked. "If my story is a lie prison is too good for me: I should be strung up by

there for the rest of my term."

Glennorris read very carefully the accounts of Inspector Faurot's trip to West
Point and his search of the cellar in the old William Pell mansion. He insisted that if the detectives would only invested that if the detectives would only invested that if the detectives would only invested to the cellar in the factor of the cellar in the countries de Mandut Mr. and Mrs. A E. Says They'll Be Clean.

Clean food is to be the slogan at Coney Island this summer, according to Dr. Lucius Brown, head of the Health Department bureau of food and drugs. With the sanction of the Health Department heads, he has instituted a system whereby every waiter and bartender-in fact, every one who has under his jurisdiction the handling of food in any form-must undergo a physical examination by his own physician or by one in charge of one of the health clinics. last This is to insure the sanitary handling of all food offered the 200,000 daily

of all food offered the solution of the visitors to the island.

In addition to this, every one of the 2.000 places—saloons or restaurants—where food of any kind is sold must be listed in the records of the Health Department under one of the three heads

Department under one of the three heads as suiting the "slim, slender three for such a category. In the first devised for such a category. In the first class come those places listed as "good." Then come the "fair." These, while showing no direct health violation, are in line to be watched. The last class is recorded as "bad."

vided for the cold storage of animal or man." When any article of food is handled promiscuously by those offering it for sale, the health laws will be invoked. The Health Department would be greatly pleased if all restaurant keepers

would see to it that their employees wear gloves, or use forks and napkins so far it is rationally possible in their handling of the foods.

Carelessness of bartenders in washing dirty glasses in cold water will also be probibited. It is a distinct violation of the health law to wash a glass in

cold water.
